

Student Finance Association Trip Application

During the academic year, the Student Finance Association plans several trips to visit financial companies and institutions across the United States. Demand to go on these trips is high and we are frequently limited as to the number of students allowed; therefore a trip application is required. On the Buffett trip, Mr. Buffett specifically asks that there be a limit of 27 students. All information below is optional but the more information we have, the more informed selection can be made.
